in unexpected love sarah a young woman disillusioned with love after a recent breakup finds her life taking an unforeseen turn in the most unexpected places this heartwarming romance follows her journey through chance encounters serendipitous meetings and the challenges of maintaining a long distance relationship

following the painful loss of his father former chief rabbi sacks began to learn how to

celebrate life in a new way based in part on rabbi sacks's collection of columns in the uk's times newspaper celebrating life is a series of reflections on subjects such as morality friendship listening to others and giving thanks it also talks about topics such as being a parent finding and losing one's faith and most of all finding happiness in celebrating life rabbi sacks discovers where happiness lives often in unexpected places through family community friendship and responsibilities he also finds it through a renewed relationship with god who spoke to his deepest needs but this redesigned and reissued edition has something for everyone for people of all faiths and none it shows us how to be human and in becoming so how we can touch the divine

this book uncovers a different perspective on the great classical thinker who has largely been misread through the scrupulous and holistic analysis of the peloponnesian war or as the author suggests of the war a different thucydides emerges one who understands power and its distribution but considers as crucial the choices made by people or leaders one who suggests according to the book's interpretation on the outbreak of war and the sicilian expedition that the war was a result of decision making and thus not inevitable one with his own view on domestic and international politics a thucydidean view a view certainly containing elements of the modern international relations paradigms but clearly linking external behavior with deliberations and choice a thucydides finally holding a more benign than believed view on human nature and informs our understanding of human behavior especially when in a position of power or in war professor kouskouvelis's curiosity evolved from his school days when he realized that there was much more to thucydides than simply an account of the war his scholarship in ancient greek and a lifetime of studying thucydides and international relations has led him to reappraise thucydides provide to his views their true and unobserved dimension and assign to him his appropriate position that of a shrewd observer of life and politics and a thinker on how people decide this book will be of interest to anyone trying to understand how the major decisions of statecraft are shaped by both context and choice the text elucidates for us how thucydides's schemata on decision making and the flawed decisions that reoccur are rooted in our human foibles and our entrapment by interest fear and honor to name just a few it will be of significant interest to political thinkers academics military decision makers and the wider public who thirst for classical thinking about security strategy and decision making
