this book offers a comprehensive account of the major philosophical works on friendship and its relationship to self love the book gives central place to aristotle s searching examination of friendship in the nicomachean ethics lorraine pangle argues that the difficulties surrounding this discussion are soon dispelled once one understands the purpose of the ethics as both a source of practical guidance for life and a profound theoretical investigation into human nature the book also provides fresh interpretations of works on friendship by plato cicero epicurus seneca montaigne and bacon the author shows how each of these thinkers sheds light on central questions of moral philosophy is human sociability rooted in neediness or strength is the best life chiefly solitary or dedicated to a community with others clearly structured and engagingly written this book will appeal to a broad swathe of readers across philosophy classics and political science

recent years have seen a marked revival of interest among philosophers in the topic of friendship this collection of fifteen articles is the first to make some of the best recent work on friendship readily accessible the book is divided into three sections the first centers on the nature of friendship the difference between friendship and other personal loves and the importance of friendship in the individual s life the second section discusses the moral significance of friendship and the response of various ethical theories and theorists aristotelian christian kantian and consequentialist to the phenomenon of friendship the last section deals with the importance of personal and civic friendship in a good society badhwar s introduction is a comprehensive critical discussion of the issues raised by the essays it relates them to each other as well as to historical and contemporary discussions not included in the anthology thus providing the reader with an integrated overview of the essays and their place in the larger philosophical picture

in this new accessible philosophy of friendship mark vernon links the resources of the

philosophical tradition with numerous illustrations from modern culture to ask what friendship is how it relates to sex work politics and spirituality unusually he argues that plato and nietzsche as much as aristotle and aelred should be put centre stage their penetrating and occasionally tough insights are invaluable if friendship is to be a full not merely sentimental way of life for today

offers a philosophical account of the phenomenon of friendship looking at its value in living a good life some of the potential pitfalls and moral difficulties associated with it and how our friends profoundly affect who we are

the routledge handbook of the philosophy of friendship is a superb compilation of chapters that explore the history major topics and controversies in philosophical work on friendship it gives both the advanced scholar and the novice in the field an overview and also an in depth exploration of the connections between friendship and the history of philosophy morality practical rationality value theory and interpersonal relationships more generally the handbook consists of 31 newly commissioned chapters by an international slate of contributors and is divided into six sections i historical perspectives ii who can be our friends iii friendship and other relationships iv the value and rationality of friendship v friendship morality and virtue vi new issues in philosophy of friendship this volume is essential reading not only for anyone interested in the philosophical questions involving friendship but also for anyone interested in related topics such as love sex moral duties the good life the nature of rationality interpersonal and interspecies relationships and the nature of the person

mark vernon offers penetrating insights on the idea of friendship using philosophy and modern culture to ask about friendship and sex work politics and spirituality he also explores how notions of friendship may or may not be changing because of the internet and looks at the psychology of friendship

this is a book of dialogues on the subject of friendship a noted irish philosopher stephen j costello ph d interrogates the great philosophers from plato and aristotle through st augustine and montaigne to c s lewis sartre and derrida in an effort to understand the nature and function of friendship he lets them speak in their own words dr costello asks some of the following questions what do we love when we love our friends is like drawn to like what is the relationship between friendship and happiness is a friend another self is it possible to love a friend too much what happens when a friend dies is all friendship self serving would you lie for a friend die for a friend after the fourteen dialogical explorations on the philosophy of friendship that comprise this book the author offers his own philosophico christian vision of friendship in the conclusion it is an inspiring book one that is full of fascinating insights on this intriguing subject that is surely of relevance to everyone whose lives are made full by their loving friendships with their perils and pains as well as their joys and jublations for life without friendship is a kind of error

it s hard to imagine a good life without friends but why is friendship so valuable what is friendship at all what unites friends and distinguishes them from others is the preference given to friends rationally and morally justifiable this collection examines answers given by classic philosophers and offers new answers by contemporary thinkers

25 years after the publication of derrida s politics of friendship politiques de l amitie 1994 this edited collection gathers 23 critical chapters that revisit this underappreciated text engaging closely with derrida s text the contributors analyse extend and critique the work they reconsider the place this book occupies in derrida s political philosophy and its potential for contemporary politics when the promises and perils of political friendship have reappeared

focusing on plato and aristotle the stoics and epicureans and early christian and medieval sources ancient and medieval concepts of friendship brings together assessments of different philosophical accounts of friendship this volume sketches the evolution of the concept from ancient ideals of friendship applying strictly to relationships between men of high social position

to christian concepts that treat friendship as applicable to all but are concerned chiefly with the soul's relation to god and that ascribe a secondary status to human relationships the book concludes with two essays examining how this complex heritage was received during the enlightenment looking in particular to immanuel kant and friedrich hölderlin

it's hard to imagine a good life without friends but why is friendship so valuable what is friendship at all what unites friends and distinguishes them from others is the preference given to friends rationally and morally justifiable this collection examines answers given by classic philosophers and offers new answers by contemporary thinkers

a book of dialogues on the subject of friendship in an inspiring effort to understand the nature and function of friendship

divdivdivan entertaining and provocative investigation of friendship in all its variety from ancient times to the present day div div div

western philosophy has long excluded the work of women thinkers from their canon presenting women philosophers addresses this exclusion by examining the breadth of women's contributions to western thought over some 900 years editors cecile t. tougas and sara ebenreck have gathered essays and other writings that reflect women's deep engagement with the meaning of individual experience as well as the continuity of their philosophical concerns and practices arranged thematically the collection ranges across eras and literary genres as it emphasizes the intellectual significance of written work by key figures for example hildegard of bingen's visionary writings iris murdoch's fiction hannah arendt's historical narratives and the oral storytelling in black women's literary tradition the collection also brings to light the philosophical importance of little known work by such writers as mme de sabl and mme de condorcet this wide ranging collection offers non philosophers an introduction to women's thought but also promises to engage advanced students of philosophy with new research on unrecognized contributions author note cecile t. tougas formerly an assistant professor of philosophy is a teacher of latin and algebra at ben franklin academy in atlanta sara ebenreck is assistant professor of philosophy at st mary's college of maryland

hugh j. silverman was an inspiring scholar and teacher known for his work engaging and shaping phenomenology hermeneutics psychoanalysis structuralism poststructuralism and deconstruction as professor of philosophy and comparative literary and cultural studies at stony brook university state university of new york silverman's work was marked by the between a concept he developed to think the postmodern in the space between philosophy and non philosophy in this volume leading scholars explore and extend silverman's philosophical contributions from reflections on the notions of care time and responsibility to presentations of the practices and possibilities of deconstruction itself they provide an assessment of silverman's life and work at the intersection of philosophy ethics and politics

friendship is regarded as crucial to living a good life but how does friendship make our lives better do all friendships make our lives better what sorts of interactions are necessary for maintaining valuable friendships this book answers these questions via a philosophical exploration of friendship and the ways that it contributes value to our lives diane jeske uses this philosophical analysis to assess the impact of our ever growing use of social media do interactions via social media interfere with our ability to maintain genuine friendships do such interactions undermine the contribution of friendship to the value of our lives in addressing these topics jeske examines the contemporary notion of a frenemy the ways in which we deliberately craft our social media personas the role of the physical body in friendship and the ways in which social media's exacerbation of our fear of being left out and of comparison based envy can impact our relationships written in a clear and engaging style friendship and social media brings philosophical rigor and clarity to the task of determining how we can responsibly use social media in our own lives it is essential reading for anyone interested in the ethics of interpersonal relationships and the social impact of technology

sharon ringe sheds new light on a heretofore neglected aspect of the fourth gospel friendship and through it links the concepts of community and wisdom christology this connection between johannine ecclesiology and christology she writes is critical to an in depth understanding the fourth gospel
